THE LADIES OF FORK..... truly led out in a great way this past Sunday during our morning worship services. There was great praise and worship, great testimonies and a wonderful challenge from an awesome communicator, **Mrs. Karen Messick**. Already many have shared how much they enjoyed the all ladies Sunday school fellowship and Bible study lead by **Karen**, as well. We are truly blessed to have ladies in our church that continue to take a stand for the Lord and for the mission He has given us. A special thanks goes to **Mrs. Dorothy Jones** for coordinating the day's events. Also thanks to many of our men for stepping up and taking on the responsibilities that our ladies provide each week. Ladies thank you for truly allowing us to see JESUS IN YOU.

DON'T FORGET WE AREtargeting those in our church family who have not been a part of our small groups, worship and fellowship times. We are in the mist of "retaining and recruiting members." We want to especially reach out to those who have missed the past several Sundays. So teachers, outreach leaders and members again PLEASE do your best to reach out to those we have been missing and let's show them that we care for them no matter what. Let's do our best to live out 1 Thessalonians 2:8 "*so we cared for you. Because we loved you so much, we were delighted to share with you not only the gospel of God but our lives as well.*" LET'S HIT THE TARGET!!

AS YOU KNOW.....we all deal with regrets on a daily basis. Now more than ever we must learn how to deal with the regrets we experience. In preparation for our journey to the cross and the empty tomb this Easter we will look at two individuals that are major characters in the Easter story. They both fell in the exact same way. They both made the most regrettable decision of their life. One of the men recovers and goes on to greater heights. He gets to a better place than he's ever been before. The other man who fell in the exact same way, he does not recover, he goes deeper and deeper in his own ruin. I hope you will join us as we enter this very important Easter season handling the regrets we experience in the right way so we can in turn experience the joy of our resurrected Lord. The title of the series is "BUT NOW I SEE- The moment of clarity that changes everything." So come and let's be CHANGED TOGETHER.

ON BEHALF OF VICKIE.....her mom and brothers I wanted to express to you, our church family, our deepest and heartfelt love and appreciation for all your acts of kindness, support, comfort and above all your unconditional love you have you have shown our family during the illness and home going of our patriarch **Vickie's** daddy, **Harold Adcock**. For all the cards, flowers, those who were able to attend the visitation and or celebration of his life we so appreciate your comforting acts of love and sympathy. A very special thank you to **Bro. Mike Morton**, Deacon Chairman, and all our deacons for their support and willingness to stand in for me while I was with **Vickie's** family. Fourteen years ago when I came to be your pastor you (Deacons) said family comes first and for fourteen years you have backed that up with action for which I will be eternally grateful. Fork family please continue to pray especially for **Vickie's** mom, **Marietta**, as she continues on without her faithful husband of over 61 years. We are so honored to serve with you in God's church. WE LOVE YOU!

HOPE TO SEE YOU THIS LORD'S DAY..... as we gain great insights on why, "It Had to Happen."

For HIS Kingdom only,
Pastor

PASTOR BEGINS NEW MESSAGE SERIES

Next Sunday

Are you living with regrets?

If the answer is yes, then that makes you exactly like the rest of us. But the fact that you can't escape them doesn't mean you have to be ruined by them. There is a way forward and it's one that is as radical to your mind and emotions as first-time sight is to a blind man. Get God's prescription for dealing with human failure, and experience for yourself the moment of clarity that changes everything. Life is all about what you do with the things you regret. Learn to resolve those things now before they drive you to despair. Join us for the important study as we together experience a moment of clarity that can and must change everything.
